Subject: Letter of recommendation from Ms. Laura Pereira de Castro for the MEGEP doctoral school.

Bordes, September 19, 2023

Dear Sir/Madam,

It is with great pleasure that I write this letter of recommendation for Ms. Laura Pereira de Castro, a final-year student in aeronautics, fluid mechanics, and combustion, who recently completed an internship at our company, Safran Helicopter Engines. I had the opportunity to supervise Laura directly during her internship, and I would like to express my utmost respect for her exceptional skills and unwavering commitment to her work.

Throughout her internship, Laura demonstrated a deep understanding and impressive expertise in the fields of aeronautics, fluid mechanics, and combustion. She worked on complex projects that required a thorough knowledge of basic principles as well as great creativity in solving technical problems. On several occasions, Laura showed initiative by proposing innovative solutions that had a significant impact on our ongoing projects.

Her ability to work as part of a team was outstanding. Laura collaborated effectively with our engineers and other interns, making valuable contributions to technical discussions. Her clear communication and sense of responsibility made her a respected member of our team.

In addition to her excellent technical skills, Laura also demonstrated a remarkable commitment to continuous learning. She was always eager to acquire new skills and take on new challenges. Her passion for aeronautics and her desire to achieve excellence are truly inspiring.

She is a brilliant student and a talented future engineer who will undoubtedly continue to make significant contributions to the aeronautics industry. I highly recommend Laura for any future opportunities, whether for employment or further education.

If you have any questions or need further information, please do not hesitate to contact me at the email address or phone number listed above. I would be happy to discuss Laura's remarkable qualities further.

Thank you for considering my recommendation of Ms. Laura Pereira de Castro. I am confident that she will make an invaluable contribution to your organization.

Sincerely, MARI

Raphael
